Short Description

Lalique Perche Poisson / Perch Fish car mascot. Model Number: 1158.

This has had the fin reduced and is being offered for sale at a fraction of its true undamaged equivalent car mascot. To compare this please see our other Perche car mascots.

These are made as car hood ornaments in the 1920's by famous glass make René Jules Lalique, who started a company using his own name, which still creates fine glassware today. Some of these would be lit underneath by a light and the faster the car was driven the brighter the Lalique car mascot shined.

The underside of the base is etched "Lalique France"
